FOR WARD

**AMSTERDAM
07-2012**

We are happy that you have this catalog and are taking the time to leaf through it.

We are also pleased that you are interested in our products and hope that you get inspired by what you see in this magazine.

We have tried to make this catalog more than just a list of the products we sell. It will tell you who we are and what we do, and you can read an article about our designer, Anouk Kramer, and find tips on things to do in Amsterdam.

Each season, we try to develop products that are fun, beautiful, moving or just plain practical. Our steady growth in sales tells us that consumers like our products. This is why we would really love to see our products in your store this season too. It's up to you now.

We have been doing our very best recently to develop products that will appeal to you and your customers.

&klevering is known for its varied, broad range, good value-for-money, and unique products.

The fall is the ultimate gift period, and we are really looking forward to this festive season.

Happy reading!

BEHIND THE SCENES

AT &KLEVERING

The &klevering headquarters are located in a former lamp factory, on the outskirts of Amsterdam, a unique space measuring 1000 m2. This is the place where all of the various disciplines involved in the business come together: purchasing, sales, design, bookkeeping, storage and distribution. Each day, our enthusiastic employees and management arrive at work by bicycle, in true Amsterdam style. (&klevering has 20 employees.)

Our wholesale business has experienced tremendous growth in the last few years, and our warehouse was bursting at the seams. These days, a third-party handles all of our outgoing orders, a company that is specialized in order picking and processing. The packages and pallets destined for our national and international customers are taken care of here, quickly and efficiently.

Twice a year, our design team goes to Hong Kong and Guangzhou in China, where it collaborates with Chinese companies to develop products that it has already designed.

Thousands of Chinese companies, employing huge numbers of workers, exhibit at the enormous "Canton Fair" trade show. The team's task is to sift through this incredible offering of products, from dishwashing brushes to ironing boards, from the tackiest tigerprint vases to gorgeous Chinese earthenware, all just to find the right producers for the &klevering products.

In cooperation with several museums including the Rijksmuseum (home to Rembrandt's famous masterpiece, "The Nightwatch"), &klevering designs and develops gifts that are sold in the museum shop. We create contemporary gifts that are inspired by centuries-old paintings, tableware and objets d'art.

Together with several museums, &klevering works on special design projects, but the standard product range is also very popular with customers at various museum shops both in the Netherlands and abroad.

In addition to our wholesale business, &klevering also has two stores in Amsterdam and a webshop. &klevering's Centraal store is located at Haarlemmerstraat 8, near Amsterdam's Central Station, just outside of the historic canal belt area. Our Zuid store is located at Jacob Obrechtstraat 19, in the upscale, quiet Zuid ("South") section of the city, near the Concertgebouw symphony hall.

// WE CREATE CONTEMPORARY GIFTS

Over the years, the stores have acquired a unique position, and are known as the gift shops to shop at in Amsterdam.

Not only do the stores sell our own private label, but also well-known brands such as Normann Copenhagen, La Marelle, Muuto, ferm LIVING, Taj and Iittala.

Consumers in the Netherlands and abroad can shop to their heart's content in our beautiful, new and improved webshop www.klevering.nl, where they can purchase unique products online.

“ART AS A SOURCE OF INSPIRATION”

AFTER 10 YEARS OF RENOVATIONS, THE RIJKSMUSEUM IS CLOSE TO REOPENING ITS DOORS. SOON, WE WILL ONCE AGAIN BE ABLE TO WONDER AT REMBRANDT'S "THE NIGHTWATCH" IN ITS OLD TRUSTED LOCATION. THESE RENOVATIONS AT THE RIJKSMUSEUM HAVE ALSO INCLUDED THE CREATION OF A BEAUTIFUL, HUGE MUSEUM STORE. THE RIJKSMUSEUM ASKED &KLEVERING TO PARTNER WITH ITS PRODUCT DEVELOPERS AND CURATORS, USING ART TO CREATE CONTEMPORARY GADGETS, SOUVENIRS AND UTENSILS. IT IS NOT HARD TO IMAGINE THAT THE ENORMOUS QUANTITY OF ART IN THE MUSEUM SERVED AS A TREMENDOUS SOURCE OF INSPIRATION.

WITH THESE OBJECTS, &KLEVERING ATTEMPTS TO GIVE BORING SOUVENIRS AN EXCITING TWIST. AMONG OTHER ITEMS, THIS HAS LED TO THE CREATION OF BEAUTIFUL TABLEWARE INSPIRED BY CENTURIES-OLD PORCELAIN. THE COLLECTION ALSO CONTAINS A REPRODUCTION OF A TULIP VASE, A "SNOWBALL" WITH A SCENE FROM AN AVERCAMP PAINTING, AND THE AMOR (1757) MARBLE STATUE IN THE SHAPE OF A CANDLE.

JURIANNE MATTER NEW ITEMS!

CIRCLES - ORNAMENTS

'As a little girl, I already knew that I wanted to become an "Inventor of Beautiful Things". I was constantly decorating, drawing, cutting paper and making music,' recalls designer and stylist Jurianne Matter. There was a moment that Jurianne and her sons decided to draw, sign and fold paper boats. The beginning of a successful business. Paper angels followed, lanterns, the 'Blom' paper flowers and for this season Jurianne created circles – ornaments. All products are made in The Netherlands and are eco-friendly.

A FOR &KLEVERING NOUK

FOR SEVERAL YEARS NOW, ANOUK KRAMER HAS BEEN CREATING DESIGNS FOR &KLEVERING'S ANOUK SERIES.

//
IT'S A GREAT
FEELING!
//

After seeing (and being fascinated by) the beautiful, handmade earthenware objects Anouk produces in her studio in the village of Spijkerboor, in the province of North Holland, &klevering asked Anouk to create this line.

The road leading to Anouk's property runs over a typical Dutch dike along a canal. An old farmhouse, her home stands proud in the middle of this polder landscape, surrounded by mooing cows. The welcome greeting from Anouk's dogs, the presence of sheep and chickens...you feel immediately at home. Hospitality is the key word at this unique spot. The boeuf bourguignon bubbles away on the stove, the long table has been beautifully set, and the wine is uncorked. Her husband Leo,

P.55

the "country gentleman", has just returned from the hunt. Leo: "In this area, we hunt geese, hare, pheasant, pigeon and fox. Hunting is a passion, but preparing and partaking of the spoils is pure pleasure!"

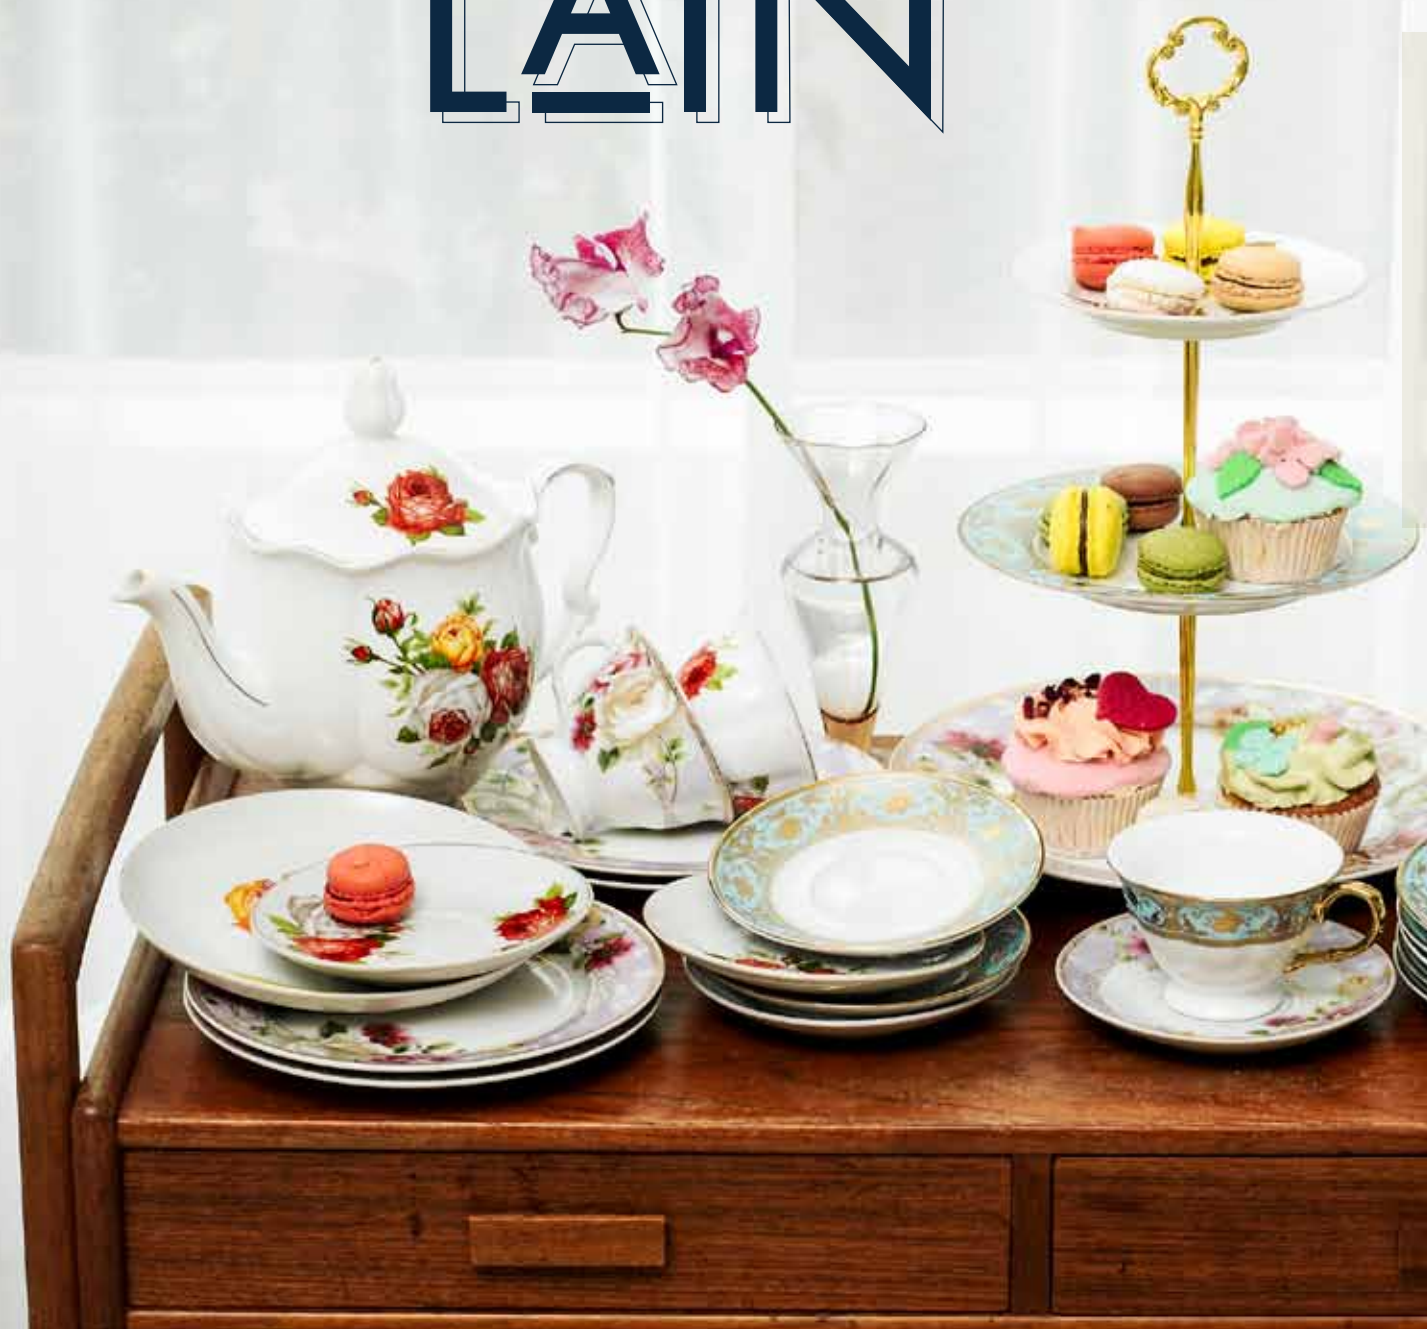

Anouk: "These are the things that inspire me, the hunt, the food, the overwhelming natural beauty, the cozy table, and all of this combined with wonderful moments shared with my family." (Anouk, 43, lives with her husband Leo, 48, and her three beautiful, hazel-eyed daughters: Pippilotti, 10, Riva, 9, and Lieve, 8).

In her studio, Anouk shows us tulip vases, commemorative birth plates, complete sets of tableware, and decorative tile murals. All of them handmade, and each and every one unique. The art of pottery-making is a complete package: designing, painting, creating and experimenting. In a relatively short period of time, Anouk has gained notoriety as an artist skilled in this traditional applied art. All of her clients have one thing in common: they are people with good taste.

//
THE ART OF
POTTERY-MAKING
IS A COMPLETE
PACKAGE:
DESIGNING,
PAINTING,
CREATING AND
EXPERIMENTING
//

Anouk: "I was used to creating one-of-a-kind pieces for unique people. These days, I love the fact that I am able to reach so many people with my designs for &klevering. And, of course, I enjoy the success. It's great to be able to see my designs on display in stores in major cities such as London and Paris. Now that is a great feeling!"

&k TIPS

ZUID

Located close to the Vondelpark, the leafy Zuid section of Amsterdam is an oasis of calm. This is the part of Amsterdam where everything seems so much quieter than the hectic city center. Zuid is a village within a city. A place where the butcher still takes the time for a friendly chat, and you know your neighbors by name. It is also a place where you can wave at the celebrities living here, and bow to Dutch royalty. At the same time, it is also brimming with activity, offering plenty to do.

With Chanel, Prada, Van Gogh and Rembrandt just around the corner, you are just a quick walk to our &klevering Zuid store on the Jacob Obrechtstraat. A local shop for gifts, a chic city boutique for beautiful tableware. In a small space of only 70 m², you'll find everything every house needs, and where you're guaranteed to see a familiar friendly face.

BOERENKOOL MET WORST

CURLY KALE POTATO MASH WITH
SMOKED SAUSAGE

DUTCH CUISINE WAS ORIGINALLY VERY SIMPLE: ONE-POT MEALS COOKED ON A KEROSENE STOVE. FRUGALITY WAS THE NORM – JUST PICTURE VAN GOGH’S “THE POTATO EATERS”, AND YOU’LL HAVE THE RIGHT IDEA. DON’T BE FOOLED – SIMPLICITY CAN TASTE GREAT! TRY THIS TRADITIONAL DUTCH ONE-POT DISH: CURLY KALE STAMPPOT* (WITH MASHED POTATOES). BE SURE TO SERVE PLENTY OF WHITE WINE WITH THIS DISH!

INGREDIENTS:

1.5 KG FLOURY POTATOES
500 G CHOPPED CURLY KALE
1 FRESH SMOKED SAUSAGE
100 G CUBED BACON
50 G BUTTER OR DUCK FAT
2 CLOVES GARLIC
200 ML MILK

PREPARATION:

PEEL AND PLACE THE POTATOES IN A POT, JUST COVERED WITH WATER. PLACE THE KALE ON TOP OF THIS, ADD A PINCH OF SALT, AND LAY THE SAUSAGE ON TOP. BRING TO A BOIL AND ALLOW TO SIMMER FOR 20 MINUTES. AT THE SAME TIME, FRY THE BACON IN THE BUTTER OR DUCK FAT UNTIL CRUNCHY, AND ADD THE GARLIC. HEAT THE MILK TO JUST UNDER THE BOILING POINT. DRAIN THE POTATOES AND KALE, AND MASH THEM WITH THE MILK. FOLD IN THE BACON AND FAT, ADDING FRESHLY GROUND BLACK PEPPER. SERVE WITH PICKLES AND DUTCH MUSTARD.

SPEND THE NIGHT IN
THE &KLEVERING DISPLAY
WINDOW...

Yes, it's actually possible to spend the night in a former &klevering store. The architects of the &klevering stores, Bas Vogelpoel and Janpaul Scholtmeijer of the architectural firm, VENS (www.vensamsterdam.nl), have converted this former retail store into an apartment. Located right in the middle of the city near the Nieuwmarkt district at Oude Schans 22, this unique spot gets lots of natural light and also a lot of attention: Amsterdam locals and tourists alike peer through the display windows, ooh-ing and aah-ing and complimenting the guests on their apartment. All of the products in this apartment are available for purchase in one of our stores. Sweet shopping dreams...

FAVORITE HOTEL THE EXCHANGE HOTEL

LOCATED BETWEEN A STREET-LEVEL KEBAB TAKE-OUT RESTAURANT AND A STAND SELLING FRENCH FRIES LIES THE UNASSUMING NARROW ALLEYWAY ENTRANCE TO THE HOTEL, AN INNOVATIVE AMALGAMATION OF THREE HISTORIC BUILDINGS. HOTEL THE EXCHANGE STEERS AWAY FROM BEING PIGEONHOLED AS A "DESIGN HOTEL." IT EXUDES THE EXISTING NEIGHBORHOOD ENERGY OF THE DAMRAK, A PEDESTRIAN ARTERY RUNNING FROM AMSTERDAM CENTRAL STATION TO THE DAM SQUARE. IF YOU JUST WANT TO SEE THE HOTEL, YET ARE NOT INTERESTED IN GETTING A ROOM, YOU CAN ALWAYS ENJOY A SANDWICH IN THE LUNCHROOM!

CEN TRAAAL

Together with the Haarlemmerdijk, the Haarlemmerstraat is the best shopping street in Amsterdam (and some claim, all of the Netherlands). Stroll through this area and you'll find the greatest, hippest design, fashion, home interior and gadget stores. And when you get tired of strolling, the many cafés and restaurants offer great places to take a break – no shortage of culinary masterpieces here! Our &klevering Centraal store is located at the beginning of the Haarlemmerstraat. Laid out like a small, old-fashioned department store, it offers specific compact departments: Kitchen, Children, Fashion, and of course a large gifts section. A true delight to wander around in, and it's simply impossible to leave the store without making a purchase. Who wouldn't get greedy and eager to buy from so many gorgeous things?

FAVORITE RESTAURANT BISTOT NEUF

THE VERY FIRST IDEA WAS JUST TO OPEN A WINEBAR. HOWEVER, EVEN THE BEST WINES NEED A GOOD DISH TO ACCOMPANY THEM, PREFERABLY, AN UNCOMPLICATED ONE. YOU CAN NOW EXPECT BOTH AT BISTROT NEUF, WHERE YOU CAN CHOOSE FROM A SELECTION OF 80 QUALITY WINES, MOST OF WHICH ARE EVEN ORGANIC. IF YOU INCLUDE THE NEIGHBOR, THE WINE STORE CHABROL, YOU WILL EVEN HAVE 1200 DIFFERENT WINES TO CHOOSE FROM!
